

Introducing **Nomadic**, a next-generation, knowledge-driven technology designed to simplify short-term immigration compliance for employers and their business travelers.

Powered by Fragomen, a global leader in immigration services, Nomadic delivers a comprehensive, end-to-end immigration solution with a global footprint, bringing together business visas, EU Posted Worker and social security compliance within a single, dynamic platform.

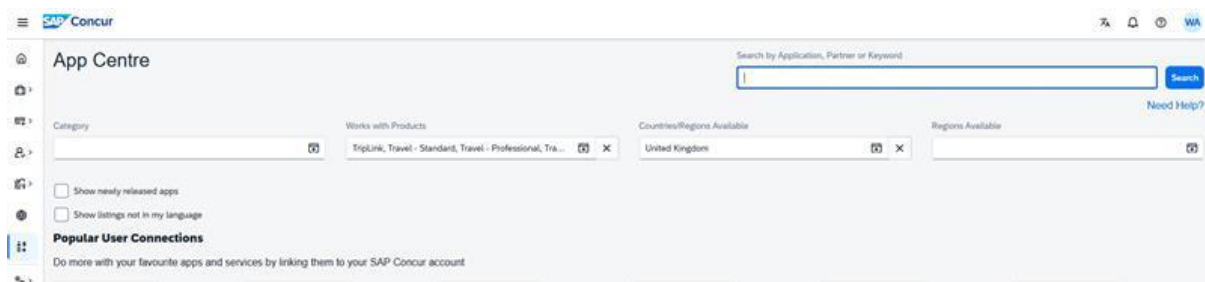

Nomadic integrates directly with SAP Concur to connect travel booking data with immigration compliance. When a trip is booked through SAP Concur, traveller and trip data is automatically shared with Nomadic, triggering an email which leads to a travel assessment.

This connection ensures immigration requirements are identified at the point of booking, helping organisations stay compliant from the moment travel is confirmed.

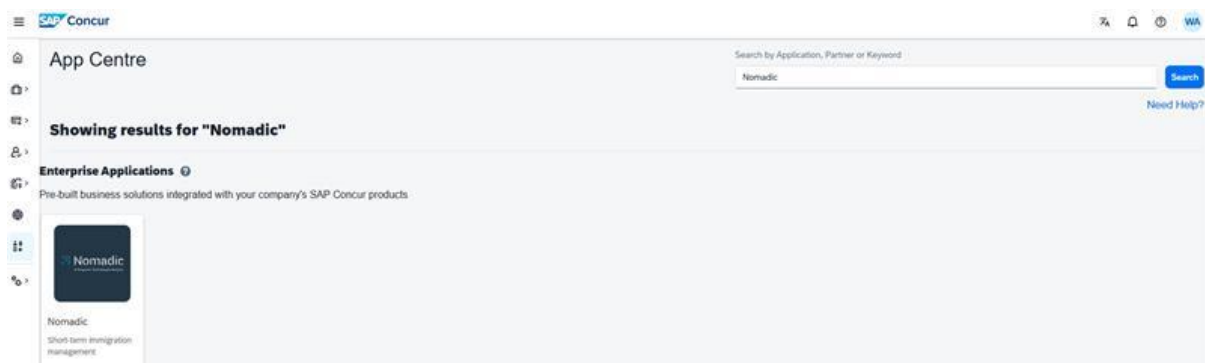

To set up the Nomadic App on SAP Concur, head to the SAP Concur homepage:

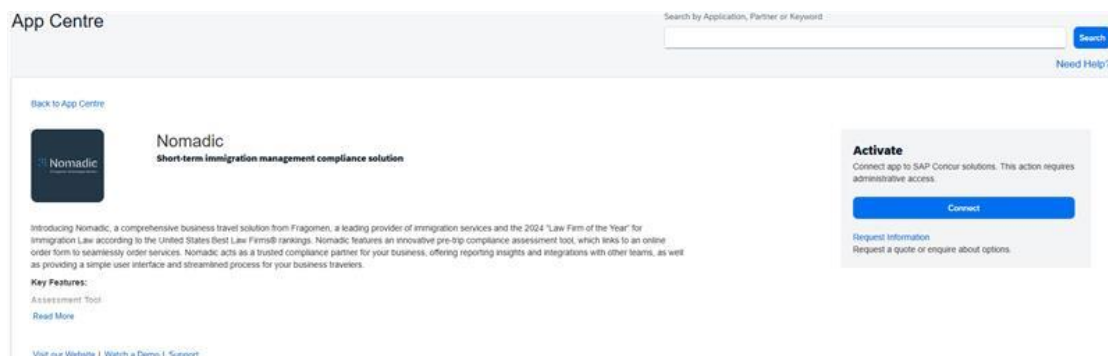

Select **App Centre** in the navigation bar on the left-hand side:

In the **Search** field in the top right, type **Nomadic** and click the blue Search button:

Open the Nomadic App. This contains a description of the App and screenshots. Click the blue button on the right-hand side, labelled **Activate** or **Connect**:

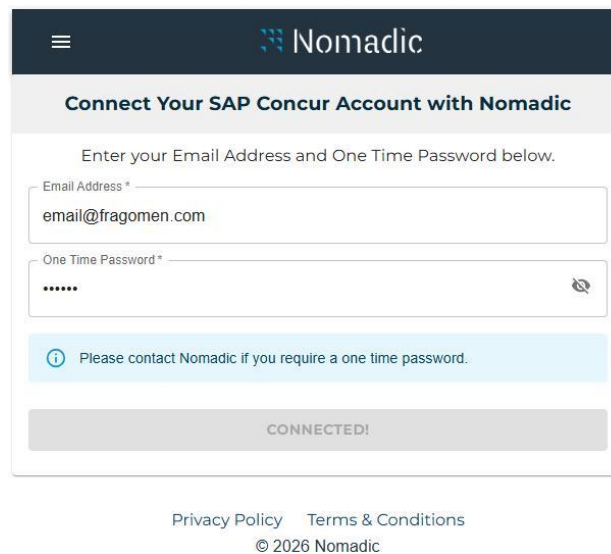

On the **Terms and Conditions** page, check the box marked **Access Authorisation** and click the blue **I Agree** button:

The screenshot shows the 'Terms & Conditions' page. At the top, there's a 'Terms & Conditions' header with a close button (X). Below the header, there's a section titled 'Please review the following licensing terms and conditions'. The text below this section states: 'By accepting the following terms, you agree to be bound by the Concur App Centre end-user terms, Company Authorisation to Link Services terms, as well as App Licensing Terms and Conditions.' Below this text, there's a checkbox labeled 'Access Authorisation' with a checkmark. The text next to the checkbox says: 'By connecting this application, you are authorising SAP Concur to exchange data with this Provider.' At the bottom right of the form, there's a 'Cancel' button and a blue 'I Agree' button.

This will open a new window labelled **Connect your SAP Concur Account with Nomadic**. Enter an email address, which should be yours or a contact within your company that is already registered with Nomadic. The OTP should be provided by the Nomadic contact. If it hasn't already, please reach out to your Nomadic contact.

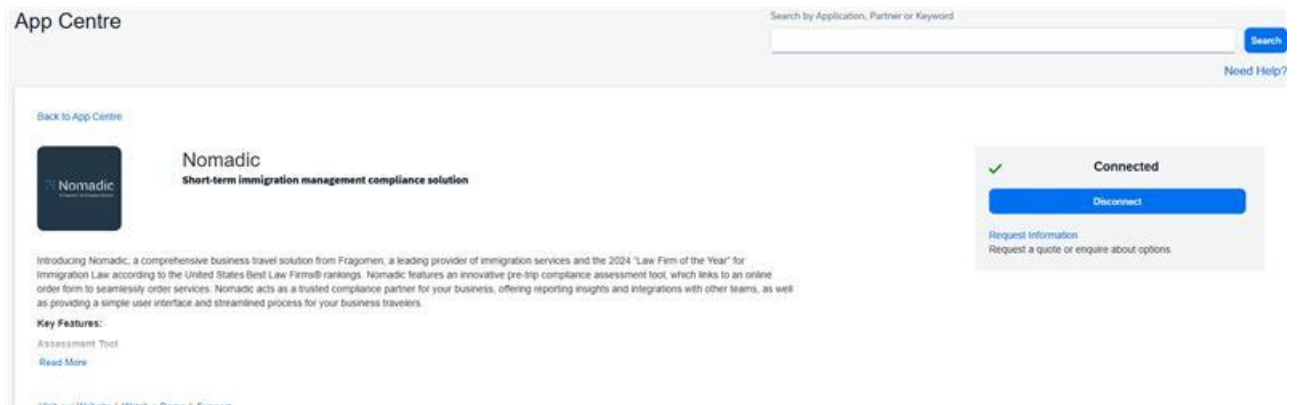

The screenshot shows the 'Connect Your SAP Concur Account with Nomadic' form. At the top, there's a header with the Nomadic logo. Below the header, there's a section titled 'Connect Your SAP Concur Account with Nomadic'. The text below this section says: 'Enter your Email Address and One Time Password below.' Below this text, there's a form with two input fields: 'Email Address *' and 'One Time Password *'. Below the input fields, there's a blue button labeled 'CONNECT'. At the bottom of the form, there's a footer with links to 'Privacy Policy' and 'Terms & Conditions', and a copyright notice: '© 2026 Nomadic'.

Once authenticated, click the blue **Connect** button. The button will now display **Connected!** and the window can be closed.

The screenshot shows a mobile app interface for connecting a SAP Concur account. At the top is a dark blue header with a hamburger menu icon and the 'Nomadic' logo. Below the header is a section titled 'Connect Your SAP Concur Account with Nomadic'. It prompts the user to 'Enter your Email Address and One Time Password below.' There are two input fields: 'Email Address *' containing 'email@fragomen.com' and 'One Time Password *' with masked characters and a toggle icon. A light blue informational banner below the fields states: 'Please contact Nomadic if you require a one time password.' At the bottom of the form is a large grey button labeled 'CONNECTED!'. Below the form, there are links for 'Privacy Policy' and 'Terms & Conditions', and a copyright notice '© 2026 Nomadic'.

The Nomadic App Centre page now shows **Connected** on the right-hand side, and any completed itineraries with SAP Concur will be forwarded to Nomadic.

The screenshot displays the 'App Centre' page. At the top left is the 'App Centre' title. To the right is a search bar with the placeholder text 'Search by Application, Partner or Keyword' and a 'Search' button. Below the search bar is a 'Need Help?' link. The main content area features a 'Back to App Centre' link and a card for the 'Nomadic' app. The card includes the Nomadic logo, the app name 'Nomadic', and the description 'Short-term immigration management compliance solution'. Below this is a paragraph of introductory text about the app's capabilities and its status as a 'Law Firm of the Year'. A 'Key Features' section lists 'Assessment Tool' and a 'Read More' link. At the bottom of the card are links to 'Visit our Website' and 'Watch a Demo'. To the right of the app card is a 'Connected' status box. It features a green checkmark icon, the word 'Connected', a blue 'Disconnect' button, and two links: 'Request Information' and 'Request a quote or enquire about options'.
